

2003 WINTER CLASS SCHEDULE 2003

presented at

The Eastern Connecticut Fire School Willimantic

(QUESTIONS MAY BE DIRECTED TO 860-487-1105)

IN MEMORY OF OUR FALLEN BROTHER

Chief Bruce S. Fletcher

The directors of the Eastern Connecticut Fire School wish to dedicate this semester to a beloved friend, devoted firefighter, and accomplished instructor. Bruce Fletcher came into this world on November 20, 1951 and departed on November 18, 2002. His stay with us was much too brief, yet he left this world a better place because of his tireless dedication to his fellow man.

Bruce epitomized what the American fire service stands for. His loving dedication to his family, his fire department, and his community should serve as inspiration to us all. Those of us who knew him are better for the experience.

FIREFIGHTER I

\$260.00

Students must attend all sessions and complete all assignments to qualify for the state exams. There will be TWO examinations necessary in order to become state certified. The Commission on Fire Prevention and Control will conduct practical examinations of the student's performance of the skills presented from the lesson plan. Upon successful completion of the practical examination, the student becomes eligible to take a written examination, also conducted by the commission. State examination fees are included in the registration fee.

The student, upon successful completion, will also become certified as "Hazardous Materials First Responder Awareness". The IFSTA "Essentials of Fire Fighting" (4th Edition) will be the primary reference textbook for this course and will be provided to each student. Each student will also receive the IFSTA Student Application workbooks (there are 21 workbooks in the set)

This course will be held on Saturdays and Sundays (from 8:00 a.m. until 4:00 p.m.) on the following dates: January 11, 12, 25, 26 February 8, 9, 22, 23 March 8, 9, 22, 23 April 5, 6, 12, 13.

Students must report the first day of class with full protective clothing and SCBA

class limited to 25 students

Dates are subject to change

lunches will be provided

EASTERN CONNECTICUT

FIRE SCHOOL

FIREFIGHTER II

\$275.00

Firefighter II is the second of two levels of firefighter certification training. The complete course (18 subjects) ranges from fire behavior to fire suppression and includes Hazardous Materials First Responder Operational.

Prerequisites: Students enrolling must be certified Firefighter I and have completed Hazardous Materials First Responder Awareness. **Proof must be submitted with application**

This program requires hands-on training along with classroom instruction. Full protective clothing including SCBA with one spare cylinder is required.

It is required that each student have access to the following IFSTA reference manuals: Essentials of Firefighting, fourth edition (furnished to each registrant); Haz-Mat for First Responders, second edition; Hazardous Materials Managing the Incident, second edition; DOT North American Emergency Response Guidebook, 1996 edition. Students must attend all sessions and complete all assignments to qualify to take the state exam. There will be **TWO** examinations necessary in order to become state certified. The Commission on Fire Prevention and Control will conduct practical examinations of the student's performance of the skills presented from the lesson plan. Upon successful completion of the practical examination, the student becomes eligible to take a written examination, also conducted by the Commission. State examination fees are included in the registration fee.

This course will be held on Saturdays and Sundays (from 8:00 a.m. until 4:00 p.m.) on the following dates: January 11, 12, 25, 26 February 8, 9, 22, 23 March 8, 9, 22, 23 April 5, 6, 12, 13.

class limited to 25 students

Dates are subject to change

lunches will be provided

FIRE OFFICER I – first line company supervision

\$385.00

First Line Company Supervision is a comprehensive course designed to strengthen the new or aspiring fire officer's supervisory and leadership skills. Emergency and routine duties of the company officer will be discussed.

Topics include: human resource management; community and government relations; public education; safety; inspection and investigation; and emergency service delivery. A fire command simulator will be used in the emergency service delivery section of the course.

Prerequisites: Student enrolling must be certified Firefighter II or firefighters who have been active members of a fire department continuously since on or before July 1, 1977. **Proof must be submitted with application.**

Student performance will be evaluated during this course. Students must attend all sessions and successfully complete all assignments in order to qualify to take the state certification exam. The Commission on Fire Prevention and Control will conduct the written certification examination. State examinations fees are included in the registration fee.

This course will be held on Saturdays and Sundays (from 8:00 a.m. until 4:00 p.m.) on the following dates: February 8, 9, 22, 23 March 8, 9, 22, 23 April 5, 6, 12, 13.

Fire Marshal Credit: 33 hours

class limited to 24 students

Dates are subject to change

lunches will be provided

Commission on Fire Prevention and Control
Course Offerings

The following class will be offered by the Commission on Fire Prevention and Control and held at the Eastern Connecticut Fire School.
